No. 581.

SIR,—

I have the honour to transmit to Your Royal Highness, for the information of your Ministers, a copy of a notice published in the press on the 15th June, containing information for the guidance of persons desiring to record:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

2. The Foreign Claims Office referred to in the last paragraph of the notice has been set up at the Foreign Office for the purpose of dealing with all claims for the settlement of which no satisfactory machinery has existed hitherto, and which are foreign in the sense that they are claims by British subjects against a foreign Government or by foreign nationals against His Majesty's Government.

I have, etc.,

A. BONAR LAW.

The Governor-General,

His Royal Highness

The Duke of Connaught and of Strathearn, K.G.,

BRITISH PROPERTY IN ENEMY COUNTRIES.

HOW TO RECORD CLAIMS.

WE are officially informed that it has been arranged that the Public Trustee shall keep a record of:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

Any person desiring to record such claims or property can obtain the necessary form for that purpose (Form G in the first case and Form H in the second) from the Public Trustee. Applications should be made to the Public Trustee (Trading with the Enemy Department), No. 2 Clement's Inn, Strand, W.C.

It must be clearly understood that the action of the Public Trustee will be confined to entering upon the record claims of which particulars are supplied to him, and that in no way commits His Majesty's Government either to responsibility for the correctness of the claim entered or to taking

any action on the conclusion of hostilities or otherwise for the recovery of the debts or property in question.

The Public Trustee will record claims against enemy Governments in respect of public securities of those Governments held by the claimants, but other claims against enemy Governments (e.g., in respect of goods or property requisitioned or sequestered) as distinct from claims against enemy subjects should be notified to the Director of the Foreign Claims Office, Foreign Office, S.W.

DOMINION ORDERS IN COUNCIL.

[217]

AT THE GOVERNMENT HOUSE AT
OTTAWA.

Friday, the 4th day of February, 1916.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-
GENERAL IN COUNCIL.

HIS Royal Highness the Governor-General in Council is pleased to order that the regulations for the survey, administration, disposal and management of Dominion lands within the Forty-mile Railway Belt in the Province of British Columbia shall be and the same are hereby amended as follows:—

Subsections (a) and (b) of section 19 of Order in Council of the 17th September, 1889, are hereby rescinded, and the following provisions substituted therefor:—

(a.) Application for homestead entry by proxy may be made by a person applying on behalf of a husband, father, mother, son, daughter, brother, or sister, when duly authorized to do so in the form prescribed. In such case the proxy shall appear in person before the agent of Dominion Lands for the district in which the land applied for is situated. Application for entry by proxy shall not be accepted by a sub-agent. The homesteader on whose behalf such entry is made must, before the expiration of six months from the date of the entry, appear personally before the agent for the district (not a sub-agent) and satisfy him by declaration so provided that he is already in residence or on his way to commence such residence, and in the latter case that he will be in residence before the end of the six months. Should he fail to appear, the agent shall cancel the entry without notice at the end of six months from date of entry. No extension of time within which to commence residence duties shall be granted in connection with a proxy entry. The provisions of this paragraph shall be retroactive so as to apply to the case of any entry made by proxy before the coming into force of this order.

(b.) Notwithstanding anything contained in the above provisions, if any person who is a member of any body or force serving with the forces of Great Britain or of any of her Allies during the present European War secures entry for a homestead on Dominion lands by proxy, such entry, whether secured before or after the date at which the entrant enlisted or was recalled for active military service, shall take the same standing and be dealt with in the same way as if it had been made in person instead of by proxy; and the person on whose behalf such proxy entry is made shall be entitled to share in the benefits of the Orders in Council of the 17th October, 1914, 19th June, 1915, and 6th January, 1916, in so far as the same would be applicable to him if his entry had been made in person.

Nothing in these regulations shall be held to confer any right or claim upon any entrant who, being engaged on active military service as aforesaid, has

failed to notify the agent of Dominion Lands for the district in which the land is situated of the fact of his being so engaged, in ample time to enable the agent to note the fact in his records so as to prevent the cancellation of the proxy entry for non-appearance at the end of six months from the date thereof.

Nothing in these regulations shall be held to confer any right or claim in the case of any proxy entry which has already been cancelled for non-appearance.

In any case where cancellation has already been carried out the Minister of the Interior may restore such entry, provided he finds that the land affected thereby is still vacant and available for the purpose, and upon restoration such entry shall thereupon become subject to the provisions of this Order in Council.
